SONAR FLOORS

About Us.

About Sonar Floors...

Sonar Floors is an Iranian flooring specialist group that offers a wide range of carpet tiles. We supply our products from highly valuable companies in order to deliver high quality products to our customers.

Sonar Floors tries to combine the quality and affordability together and give its best offers to the users. By combining these valuable elements, we will do our best to provide the best products, with the highest quality at the lowest price.

We hope to achieve your trust with our products and services and be able to create a beautiful floor for your enjoyment all year around.
